SUMMER WORSHIP SCHEDULE

EXCITING
NEWS

We have some exciting news. The Church Council voted to approve the Worship Committee proposals to have a summer trial period to change the worship times and how we celebrate communion as one unified church. This summer, the Bridge service start time will be 9:30 AM, and we will hold one combined communion service each month, alternating between the Sanctuary and the Bridge.

WHEN WILL THE SUMMER TRIAL BEGIN?

- † On **Sunday, June 1** will be a **combined service** for “**Communion Sunday**” in the sanctuary at **11 AM**.
- † Starting **Sunday, June 9**, the Bridge service will officially **start at 9:30 AM** and be followed by a coffee and refreshments time at 10:30 AM.
- † The **July combined communion service** will be Sunday, July 6, at 9:30 AM in the Bridge
- † The **August combined communion service** will be Sunday, August 3, at 9:30 AM in the Bridge.
- † There will be a **combined Homecoming Sunday service** in the Sanctuary on Sunday, August 17 at 11 AM.

The goals of the summer trial are threefold: one, to celebrate the unity of our church by taking regular communion as one body; two, to provide a little more "breathing room" for the Pastor and the Audiovisual Technician / Live Stream Coordinator between the two services when we hold both; and three, to provide a common time for Bridge attendees to stay and fellowship with one another. The Pastor asks all Lee Road UMC members to prayerfully support these changes as we seek to grow our church and worship in new and exciting ways.

Hi , i am Darren , there are so many activities in March. After fasting for a month, Muslims celebrate their victory joyfully on Eid al-Fitr. Just as Ramadan is welcomed with joy, Eid al-Fitr is also greeted with pleasure. Every region in Indonesia has its tradition of welcoming Eid al-Fitr. Me and my whole family are celebrate Eid amubarak too, although we are Christian. Its a tradition. However, it turns out that Eid traditions in Indonesia are not just mudik and sungkem. Every region in Indonesia has unique Eid traditions according to the culture and beliefs carried out for generations. Every Eid tradition contains a beautiful and deep meaning. Here are some Eid traditions in various regions of Indonesia that are full of meaning: I think this enoug and hope you will be good there God bless you..and thank you so much.
