Dear Church Family,

As you have probably heard already, our church is currently discussing a proposal to combine both worship services into one blended Sunday morning service. “Blended” meaning that it would be a combination of worship elements of both the traditional and contemporary worship styles, but in keeping with our United Methodist heritage. No decisions have been made yet, and there are “focus groups” currently meeting that will give everyone a chance to participate in the discussion. The data from the focus groups will flow back to a special task force that will make a recommendation to the Church Council. The Church Council is the body that will make the ultimate decision.

The primary question is “Why should we combine our two services into one?” There are many answers for this. Primarily, it would potentially create a weekly service of 80-90 attendees in place of two smaller services of 30-40 people. This could help us grow our church. Research presented by Laurie Fite states that if visitors do not see at least 25% of the seats filled, they get spooked and do not return. The sweet spot seems to be having at least 40-50% of the available seats filled which eases the visitors’ comfort. Secondly, as Adelaide Kiser stated, it would open new opportunities for The Collective (our band) to play some hymns and contemporary songs with a more acoustical feel in our beautiful sanctuary with natural light and great sound. Thirdly, Greg Strong, a relatively “new” member, stated that he didn’t know what to expect with the first combined communion service in the sanctuary on August 17, but was amazed at the sunlight through the windows and the sound and feel of the integrated worship.

Change is hard work. I call on every Lee Road worshipper to pray to the Holy Spirit what He would have us to do. Pray also for a spirit of unity and peace to pervade our discussions. As Paul says in Ephesians 4: 2-5:

“Be completely humble and gentle; be patient, bearing with one another in love. Make every effort to keep the unity of the Spirit through the bond of peace. There is one body and one Spirit, just as you were called to one hope when you were called; one Lord, one faith, one baptism; one God and Father of all, who is over all and through all and in all.”

In Christ,
Pastor Rusty

Although SC UMC Conference statistics show that our attendance at Lee Road is among the top third of all churches in SC, it is clearly recognized that we need to grow our attendance. Our Church Council has established a special purpose Task Force to take a comprehensive look at all of our church activities from the lens of growth. This is expected to be a long term, multi-initiative which will look hard at what changes are needed to grow our attendance.

The first order of business for the Task Force will be seek feedback from our membership on a proposal to combine our traditional and contemporary services into a single blended service. We are seeking your feedback on 1) should we consolidate services yes or no, and 2) if so, what time should the service start and what do we want our blended service to look like to be attractive and meaningful for us and visitors.

No decisions have been made, or will be made, until we have the opportunity to get your feedback. This will be done by hosting multiple “focus group” sessions facilitated by members of our Task Force. Two sessions will be held in the Bridge at 10:30 AM on November 9 and 16 and a single session will be held in the Social Hall on November 16 at 12 PM for members of the traditional service.

Please give prayerful consideration to this impactful proposal and plan to attend one of these sessions.

Prospective Members Classes

Are you new to Lee Road United Methodist Church? Interested in becoming part of our church family? (We are a friendly bunch after all!) Have you been with us “for a while now”, and would like to explore the option of formally becoming a member? Do you have questions about our local church, missions, our denominational beliefs, UMC news, etc., that you would like to get answers to in a small friendly group setting? Well, we have a proposal for you.

Join us for our fall cycle of prospective new member classes! It is absolutely not necessary to take this class to become a member, but we believe that this class is very helpful to help folks make the decision that is right for themselves as led by the Holy Spirit. The classes are designed to be 45-60 minutes in length. Light snacks and refreshments will be provided. Kids are welcome to stay and learn, or play board games, etc. The dates and topics are as follows:

December 7 “Get Committed” Class — Pastor’s Office at 9:30 AM

At the conclusion of these classes, the Pastor will discuss if people would like to formally join the church in membership during morning worship on Sunday, December 14, 2025 (Third Sunday of Advent = “Joy Sunday” / Gaudete Sunday). This step is not a requirement, but rather an option for those who feel they are ready. Any further questions, please contact Pastor Rusty.

Please RSVP the Pastor if you plan to attend the class. Thank you. My email is revrustyg@gmail.com and you may also text me at my cellphone 864-214-5815.
